# Passion To Serve

Established in 2006 with a distinctive serving approach we are specialized in serving delicious meals in large quantities to corporate work force. Food catering to labor camps with our expert in Asian, Arab, Filipino and western Meals. We Have a passion for Serving. Over the years we have served over 16 million Man-Days of multinational cuisines catered over 16 locations in Saudi.

"Our passion to serve" ethos is reflected in the culinary art acquired by talented chefs who make the 'food on the plate' a wonderful experience. We have a dedicated support service team who perform their skills with a smile, even in the toughest environments of remote sites.

We offer corporate catering services to leading corporations and institutions across the private and government sector. We have the experience of serving up to 21,000 Daily meals of over 10 different nationalities which allow us the opportunity to deliver that perfect fusion of cuisine, service and price. After all, exceeding expectations is always the goal when we have passion for your Palette, Excellent Service, Multinational cuisine at affordable prices.

"THE MOST IMPORTANT THINGS  
TO DO IN THE WORLD ARE TO GET  
SOMETHING TO EAT, SOMETHING TO DRINK  
AND -SOMEBODY TO LOVE YOU"

# Meet Our Chef And His Team

Our acclaimed chef has a team specialized in multinational cuisines. Our team is mobilized according to the needs of the client and culinary requirement. We have western, Arab and Indo Pak chef, each one them is trained in the respective cooking specialties. Our team has developed respective menu for each nationality filled with fresh and healthy alternatives designed to feed both body and mind. Each of them has a passion to serve. They collect your feed back on site and understand and adapt to your tastes.

# Environment, Health And Safety

Our primary focus is to protect our Business partners (Clients and Suppliers), our staff and the environment. Here we utilise specialist environmental, health and safety Personnel, guided by local and internationally recognized laws and legislations, and developed in our policies. Those are regularly communicated through training programmes to our entire team. Random specialist audits at the work place subsequently ensure absolute compliance.

## **Menu Planning and Healthy eating:**

Based on our considerable experience of the variation in the requirements of different client's nationalities and status. We are able to offer a complete menu selection tailored to different, specific situations.

## Hygiene At Every Level

We take all practicable measures to ensure hygiene is maintained at every level from sourcing to disposal. Standard food handling and food hygiene practices are followed as per local legislation and international standards. Food handlers are trained at every level. Kitchen surface and storage areas are cleaned as per written guidelines. Temperature control is maintained. Personal hygiene is followed by every worker.
